

It is outrageous what you are trying to get away with, Mr. Powell !
One public hearing in Feb. hidden away in Richmond !!!! You should
be ashamed of yourself - trying to pull a fast one over the
American Public !!!!!

I want rules to serve the PUBLIC not the private interest !!!!! I
totally oppose even more media consolidation so that the likes of
Rupert Murdoch can own even more stations and impose his arch
conservative views on US !!!!! Enough is enough !!!! I urge you
to rule in the PUBLIC interest !!!
